

London Legal Walk 2021

Covid-19 Safety Guidelines

Thank you for registering to take part in the London Legal Walk 2021. We are very much looking forward to seeing you at Carey Street on Monday 18 October.

Whilst most Covid-19 restrictions have now been lifted across the country, the wellbeing and safety of our walkers, volunteers and supporters is of the upmost importance.

It is with this in mind that we have implemented a number of measures and adjustments to this year's event, so as to minimise the risks associated with Covid-19 for all attendees.

Please be assured that the changes in place will not be to the detriment of your experience of this year's Walk.

We are very excited for the event to return in person for 2021 and would like to thank you in advance for your understanding and cooperation with the measures in place.

Key changes for 2021:

- Extended registration time
- Additional 10km route
- One way street party
- Hand sanitiser at all touch points
- Socially distanced team photos
- Masks to be worn inside The Law Society
- Option to take part locally to your home

Covid-19

Pre-Event Guidance

Checking for Covid-19 symptoms before the London Legal Walk.

Please DO NOT attend the event if any of the following applies to you before Monday 18 October:

- You have received a positive Covid-19 test result.
- You are experiencing any Covid-19 symptoms.
- You have experienced any Covid-19 symptoms within the 14 days leading up to the event.

The main symptoms of Covid-19 include:

- A new, continuous cough
- A high temperature
- A loss of taste and smell

Take a lateral flow test before the event:

- We highly recommend that every attendee of the London Legal Walk takes a Covid-19 lateral flow on the Sunday evening or Monday morning (within 24 hours of your Legal Walk).
- If you receive a positive result please do not attend.

Feeling Unwell?

- We would also advise that if you have any viral symptoms e.g. sore throat, temperature, cough, or runny nose that you should not take part on one of the official London Legal Walk routes on Monday 18 October.
- This applies even if your lateral flow test for Covid-19 has come back as a negative result.

If your team/organisation need to withdraw from the London Legal Walk before the event as a result of Covid-19 or indeed any other reason, please get in touch with us by emailing signups@llst.org.uk

Covid-19 Measures in Place at the Event

The registration time has been extended this year to 2pm - 7pm. Only the team organiser needs to register at the desk.

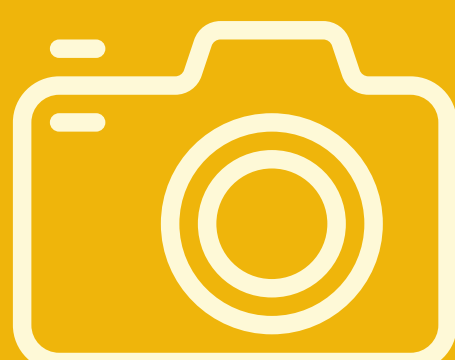

We have added an additional 10km route, River Route East, to avoid large gatherings whilst teams take part.

The Street Party on Carey Street will have a one-way system in place. Please adhere to this upon arrival.

Hand sanitiser will be provided at all key touch points, and face masks must be worn inside the Law Society.

There will be no photobooth or selfie station this year. Team photos must be socially distanced.

Participants have the option to walk locally to their home instead of taking part in central London.
