

The London

Legal Walk 2022

TUESDAY 28 JUNE 2022

Thank you for signing up to the 2022 London Legal Walk

The London Legal Walk is a 10km after-work walk starting on Carey Street behind the Royal Courts of Justice. In 2021 over 8,000 walkers took part, raising a wonderful £650k to support the provision of free legal advice in London and the South East.

With your help we will make this year's Walk the most successful yet!

Your role as team organiser

As the team organiser we rely on you to communicate with your team mates. They won't always receive the weekly newsletters, so please ensure you send any important information on to your team.

Supporting the cause

Upon registration we sent you a link to your fundraising page. Please make sure all team members have that link and ask them to share it with friends, family and colleagues. We don't charge an entry fee but do suggest a minimum fundraising target of £50 per walker.

On the day

REGISTRATION opens from 3pm on Carey Street and will remain open until 7pm. As the team organiser we request that you, or a nominated member of your team, come to sign in your team. You will be given maps and drinks tokens so that each member of your team can claim a complimentary drink after the walk as a thank you from us.

THE ROUTE In order to reduce congestion on the pavements we have [2 available routes](#). Each route is 10km and takes approximately 2-3 hours to complete. To ease congestion on pavements please walk 2 abreast, rather than in a big group. You are welcome to choose whichever route you wish. You do not need to tell us in advance which route you would like to take, we will have equal numbers of maps available at the registration desk on Walk day.

WHAT TO BRING Comfortable clothing and footwear. We have been very lucky in previous years with glorious sunshine, but please check the weather forecast and bring a warm jacket/waterproofs if required. There is a water station outside the Law Society and water refill fountains in the Royal Parks. Please be aware that bottled water on Carey Street is first come first served so please have extra bottles to hand.

CLOAKROOM There is a cloakroom inside the Law Society. We recommend leaving any large items such as laptops locked in your office or at home. As cloakrooms can get very busy we suggest just bringing a small bag you can take with you on the Walk.

TEAM PHOTOS After registering, your team can have a photograph taken by one of our professional photographers. Team photos will take place between 3pm and 7pm. There isn't a booking system - just queue up.

LAW SOCIETY After the Walk you can redeem your drinks token in one of the Law Society's indoor bars. You can also donate your token and we'll receive £1 per token from our sponsors.

STREET PARTY You are invited to join the street party on Carey Street. The Knights Templar will have an outdoor bar where you can exchange your drinks tokens for a complimentary beer, wine or soft drink.

Food is available at the street party from a variety of outdoor vendors catering to all dietary needs.

The street party closes at 10pm so make sure you arrive back in good time to enjoy a drink whilst watching the fire jugglers and stilt walkers in action.

FAQs

ACCESSIBILITY: Routes are generally accessible. There is deep gravel near Horse Guards, therefore it would be best to avoid if following the Parks Route. There is a fully accessible route courtesy of the [Disability Justice Project here](#).

NON-LAWYERS, CHILDREN AND PETS: The more the merrier! The London Legal Walk is open to all, though any pets / children must be kept under supervision.

CAN I RUN?: Yes! We have a dedicated group of runners who take on the challenge each year. If you run we recommend starting early so you don't have to navigate through thousands of walkers. Please note roads will not be closed for this event

FIRST AID: First Aid is provided by St Johns Ambulance. Their number will be on your map.
