

London Legal 10xChallenge

However you want to take part in this year's London Legal Walk is up to you. As part of the London Legal 10xChallenge, you could theme your fundraising challenge around the number 10, or multiples of 10 (100, 1000, 10,000) if you wanted!

You could bake some cakes for justice!

Could you paint for justice?

What about a cycle challenge?

You could write a blog, song or poem for justice.

You could get centred for justice and set yourself a yoga challenge

What about a swimming challenge at your local lido?

You could get crafty for justice with an embroidery challenge.

You could get silly for access to justice and set yourself a space hopper challenge?
