# The London Legal Walk

## Why do we walk?

Everyone should have access to justice. In reality, not everyone does.

Two-thirds of the UK population don't know how to get legal advice and 14.4 million people who live in poverty can't afford to pay for it. The cost-of-living crisis is widening the justice gap further, with 4.2 million households going without essentials – hungry, cold, without basics like showers, toiletries or adequate clothing, and 3.4 million households do not have enough money for food.

Legal advice charities have worked tirelessly on the frontline to support individuals and families throughout the pandemic and beyond. Sadly, this urgent need has continued and been exacerbated by the rising cost of living and instability around the world, as people face life-changing issues around debt, housing, employment, Universal Credit, domestic violence, and more.

People need support to be able to access justice: challenge unlawful evictions, secure the care provision they are entitled to, and combat discrimination at work.

Every year, the London Legal Walk supports over 100 legal advice services in London and the South East. This year, they need us more than ever. Please help us to give everyone access to justice. Please keep supporting us by signing up to make a regular donation: <https://londonlegalsupporttrust.org.uk/donate-today/>

## Who will be helped?

Some examples include:

Adults and children who have been trafficked to the UK to become domestic or sex slaves.

People who have been unfairly dismissed or who are discriminated against at work.

Families living in terrible housing conditions.

People who are working for less than minimum wage.

Disabled people and their carers.

Elderly people who need support to stay living independently.
