

The Crawley

Legal Walk 2025

TUESDAY 9 SEPTEMBER

Thank you for signing up to the 2025
Crawley Legal Walk

The Walk is a 10km after-work event,
starting at The Smith & Western Pub. Last
year, the Crawley Legal Walk raised nearly
£4,000 for local advice charities.

With your help, we'll make this the
biggest Crawley Legal Walk to date!

YOUR ROLE AS TEAM ORGANISER

As the team organiser, we rely on you to
communicate with your teammates. They
won't always receive the weekly
newsletters. So please ensure you are
sending the information on to your team.

SUPPORTING THE CAUSE

Upon registration, we sent you a link to your fundraising
page. Please make sure all team members have that link and
ask them to share it with friends, family and colleagues.
Please do encourage your team to donate £10 to kick start
their fundraising efforts. 100% of the funds raised from the
Crawley Legal Walk will go to local free legal advice agencies
so they can support marginalised people in your community.

ON THE DAY

REGISTRATION London Legal Support Trust staff will be on site to register you and your walkers at The Smith & Western Pub, starting from 4:30pm. Once all walkers are registered, and the all important team photos have been taken, you are good to go!

WHAT TO WEAR Please bring comfortable clothes to walk in. Sportswear and trainers tend to be popular from previous Crawley Legal Walks, along with branded t-shirts (if your organisation has these).

INCLUSIVITY Everybody is welcome! Please do bring trustees, colleagues and clients and mark this as your big work day out to fundraise for your local agencies. Dogs are also very welcome on the Walk, but must remain on a lead at all times.

TOP TIPS

MATCH FUNDING: Makes a huge difference. Knowing your donation will be matched is an added incentive for people to start fundraising early and is a simple way to double your final total.

GET SOCIAL: Tell everyone you are taking part on Facebook, LinkedIn, Instagram and X. Be sure to use Crawley #LegalWalk and tag us so we can re-post! Think about how many people you can reach using both your organisations' social channels and your team members personal ones.

SENIOR / LEAD WALKERS: Get the backing of key people in your organisation to encourage everyone to get involved! This could be CEO, directors or trustees to name a few.
