THANK YOU FOR SIGNING UP TO THE 2026 LONDON LEGAL WALK

The London Legal Walk is a 10km after-work walk, starting on Carey Street behind the Royal Courts of Justice. In 2025, over 19,000 walkers took part, once again raising over £1 million to support the provision of free legal advice in London and the South East. A record we hope to beat this year!

YOUR ROLE AS TEAM MEMBER

Your team organiser will be in regular contact with the latest updates in the lead up to the Walk. You will also receive newsletters directly from LLST to tell you all about our work and the difference you are making.

SUPPORTING THE CAUSE

As you may know, there are considerable costs to putting an event like the London Legal Walk on, from street closures to security. Please do your bit to chip in so LLST are not out of pocket.

PLEASE SELF-SPONSOR

We encourage all walkers to donate £20 to kickstart your fundraising. Teams who raise over £20 per walker will receive drinks tokens as a thank you from us. But please don't stop there. We suggest a fundraising target of £50 per participant so please make sure you share your fundraising page link with friends, family and colleagues.

ON THE DAY

REGISTRATION OPENS FROM 3PM ON CAREY STREET, AND WILL REMAIN OPEN UNTIL 7PM.

Only your team organiser should go to the registration desk for your team. They will be given drinks tokens and maps to distribute. See *more information on page 5, Street Party Information.*

THE ROUTE:

We have three 10km routes, and two shorter routes for those that wish to participate but require a shorter distance as an adjustment .

The 10km routes take an average of 2-3 hours to complete. To ease congestion on pavements please walk 2 abreast. You do not need to tell us in advance which route you would like to take, but your team organiser may be planning for you all to walk together. Please reach out to your team organiser for details. You are also welcome to follow the routes online, provided you have signed your team in at our registration desks. [View all routes.](#)

WHAT TO BRING:

Comfortable clothing and footwear. Please check the weather forecast. There will be a water station at the street party and water refill fountains in the Royal Parks. We recommend bringing a reusable bottle that you can refill at LexisNexis' water bowser. Get More Vits will also be giving away a limited amount of their vitamin water.

CLOAKROOM:

There is a cloakroom inside the Law Society. We recommend leaving any large items such as laptops locked in your office or at home. As cloakrooms can get very busy, we suggest only bringing a small bag you can take with you on the Walk.

The cloakroom will close at 9.00pm, and any left items after this will be handed to lost property.

ON THE DAY

TEAM PHOTOS

After registering, your team can have a photograph taken by one of our professional photographers. Team photos will take place between 3pm and 7pm. There isn't a booking system - simply queue up.

QUIET AREA & ACCESSIBLE SEATING

A designated quiet area will be available within the Law Society – please ask at reception, or any of the event organisers for directions on the day. We will also have an accessible seating area at the street party should you require a seat.

RAFFLE

Raffle tickets will be sold at Harvey AI's raffle stand on the day of the Walk, as well as being available to purchase [online now](#). You'll have the opportunity to win fantastic prizes including, a signed Chelsea FC shirt, signed Arsenal FC football, 6 weeks of personal training, and a wide range of meal and drinks vouchers! Tickets cost £2 and the draw will take place on Tuesday 16 June.

PROMOTIONS

Some of the wonderful businesses around Chancery Lane are offering special promotions for the London Legal Walk. Some offers will be taking place across the whole of June, whilst some will be offering discounted bookings on the day of the Walk. Promotions are being offered by Brasserie Blanc, The Pregnant Man, Black Parrot, El Vino, and more! [Find out more about these offers here.](#)

ON THE DAY

AUDIO SOUNDBITE RECORDINGS

We have a series of [audio sound bites](#) for the 2026 London Legal Walk. There will be 10 recordings for you to listen to and we recommend splitting them up and listening to one per KM marker reached. Each soundbite lasts between 1 minute 30 and 3 minutes. These will be accessible via QR codes that can be found on the registration desks, on posters around the street party, and on the KM markers along your route.

You can look forward to listening to messages from a variety of organisations that LLST helps, find out more about the projects LLST runs, and why the London Legal Walk is so important.

A very special welcome message from the The Rt Hon. the Baroness Carr of Walton-on-the-Hill, Chief Justice of England and Wales is included.

STREET PARTY INFORMATION

Post Walk, return to Carey Street to join in the fun of the street party. With delicious [street food](#) catering for all dietary needs, and fantastic entertainment including stilt walkers and live music it's a brilliant way to celebrate supporting access to justice. The street party finishes at 10pm.

DRINKS TOKENS

Given to teams who have raised at least £20 per walker on average as a thank you for supporting access to justice. In previous years, not every walker has raised the suggested donation, and many of those have still collected and spent their drinks tokens. Please ensure your team starts fundraising as early as possible and hits their target before Walk day.

[Drinks tokens](#) can be redeemed at the Last Judgment, The Law Society bars, and street party bars near registration desks - including stands from Toast, The Uncommon, and The Pregnant Man (only their street stand) where you can enjoy a beer, wine or soft drink.

OR, you can donate your token back to us at the registration desk to help us raise even more for vital free legal advice charities!

VERITA'S 'BENCH BAR'

Relax and unwind at Verita's 'bench bar' after your walk. You can find this seating area situated by the registration desks at the far end of the street party.

FAQS

[SEE ALL FAQS HERE](#)

BANNERS

We discourage the use of team banners because their use on the pavement can be disruptive to general public, and if needed for signposting they should not be inflammatory, political, controversial, divisive, or conflict with LLST's values as an inclusive organisation.

NON-LAWYERS, CHILDREN AND PETS:

The London Legal Walk is open to all, though any pets / children must be kept under supervision. Please ensure that dogs remain on their leads throughout the event, and due to crowds and other dogs being present we request that only well socialised dogs attend. Please be mindful of the temperature - Vets now caution at above 24°C, the risk of heatstroke increases significantly.

FIRST AID:

First Aid is provided by St John's Ambulance. Their contact number will be on your map.

Cycle responders cover the route with a control vehicle at the street party.

ACCESSIBILITY:

River Route South and the Parks Route are accessible (there is a deep patch of gravel at Horse Guards that it is best to go around). There are also 2 shorter accessible routes for those who wish to participate and require a shorter distance as an adjustment. [View all routes](#). The Law Society building is accessible, with accessible toilets

LLST's main purpose is to ensure everyone has access to justice, regardless of their financial circumstances and background. The organisations we support provide free legal advice to people from diverse backgrounds. While diversity brings richness and innovation, we are aware some communities are more impacted by structural inequalities, poverty, and the cost-of-living crisis. As an access to justice funder and infrastructure organisation, we understand, consider, and address inequalities in everything we do. We strive to become a more diverse and inclusive organisation that truly reflects the communities we serve.

THANK YOU FROM ALL OF US AT LLST!

The London Legal Walk is the largest fundraising event in the legal calendar, bringing together the legal profession in support of frontline free legal advice charities in London and the South East.

Thank you for helping recruit walkers, gather donations, and for distributing information about the event to your colleagues, friends and family. The work we do would not be possible without the support of team organisers like you.

Thanks to your support the London Legal Walk helped provide support to over 180,000 people in 2025.

Together, we can continue to raise vital funds to keep legal advice services open and available for those who need them most.

WHY WE WALK

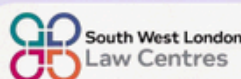

“ Access to the justice system is something that we as an organisation believe is important. So many people rely on free legal advice services during difficult times in their lives, and events like this play a crucial part in keeping those services running. Employees at the Legal 500 always enjoy the walk and raising money for a vital cause like this. ”

“ We want to celebrate and support our team of amazing advisers who help older East Londoners escape poverty, last year they helped unlock £6million in unclaimed benefits. ”

“ Taking part in the London Legal Walk is a statement of what we believe in: that access to justice should not depend on your income, your immigration status, or how confident you feel navigating complex systems. We are most looking forward to walking alongside our clients, colleagues and the wider legal aid community, showing visible solidarity and raising vital funds to keep free, trusted legal advice rooted in local communities, so people can secure safety, stability and dignity. ”
