Legal Walk 2026

WEDNESDAY 16 SEPT

Thank you for signing up to the 2026 Southampton Legal Walk.

The Walk is a 10km after-work route, starting at Southampton Crown Court. Last year, the Southampton Legal Walk raised £4,924 for Citizens Advice Southampton and Advice Portsmouth.

With your help, we'll make this the biggest Southampton Legal Walk to date!

YOUR ROLE AS TEAM ORGANISER

As the team organiser, we rely on you to communicate with your teammates. They won't always receive the weekly newsletters. So please ensure you are sending the information on to your team.

SUPPORTING THE CAUSE

Upon registration, we send you a link to your fundraising page. Please make sure all team members have that link and ask them to share it with friends, family and colleagues. 100% of the funds raised from the Southampton Legal Walk will go to local free legal advice charities so they can support marginalised people in your community.

ON THE DAY

REGISTRATION Please arrive at 4:30pm to register with your team at Southampton Crown Court, The Courts of Justice, London Rd, Southampton SO15 2XQ. Once all walkers are registered, and the all important team photos have been taken, you are good to go!

WHAT TO WEAR Please bring comfortable clothes to walk in. Sportswear and trainers tend to be popular from previous Southampton Legal Walks, along with branded t-shirts (if your organisation has these).

INCLUSIVITY Everybody is welcome! Please do bring trustees, colleagues and clients and mark this as your big work day out to fundraise for your local agencies. Dogs are also very welcome on the Walk, but must remain on a lead at all times.

TOP TIPS

MATCH FUNDING: Makes a huge difference. Knowing your donation will be matched is an added incentive for people to start fundraising early and is a simple way to double your final total.

GET SOCIAL: Tell everyone you are taking part on Facebook, LinkedIn, Instagram and X. Be sure to use Southampton #LegalWalk and tag us so we can re-post! Think about how many people you can reach using both your organisations' social channels and your team members personal ones.

SENIOR / LEAD WALKERS: Get the backing of key people in your organisation to encourage everyone to get involved! This could be CEO, directors or trustees to name a few.
